

Appln. No. 10/568,456  
Amd. dated July 22, 2010  
Reply to Office Action of June 22, 2010

**REMARKS**

The Official Action constitutes a Quayle Action. The examiner has indicated that claims 1-19 are allowable, but withdrawn claims 22-44 need to be cancelled. Applicants appreciate the examiner's indication of allowable subject matter.

By way of the present amendment, claims 22-44 have been cancelled without prejudice or disclaimer thereto. Applicants reserve the right to file a continuation or divisional on any cancelled subject matter.

Having addressed all the outstanding issues, this paper is believed to be fully responsive to the Official Action. It is believed that the claims are in condition for allowance. Favorable action is requested. If more is needed to obtain allowance, please contact the undersigned attorney at the telephone number below.

Respectfully submitted,
